

# Panasonic

## Outstanding Black Friday deals on the Panasonic RE Standard Wall Mount Range from PDM Air Conditioning

Discover the Panasonic standard wall mounted range with this amazing Black Friday offer from PDM Air Conditioning. These prices\* cover the cost of all equipment and installation by one of our fully trained and qualified installers, but are for a limited time only.

These competitively priced systems offer low energy consumption heating and cooling. The indoor unit comes complete with an antibacterial filter and odour removal function to ensure the best air quality is delivered. The system also has the option for a hardwired controller with full weekly timer settings if required (this is not included in the below pricing but can be quoted separately).
